What We Accept

Newspaper: Remove newspapers from bags, boxes, or bindings.

Magazines: Magazines, glossy paper, colored paper.

White Office Paper: Includes white copy paper, Typing paper, computer paper and white envelopes.

Shredded Paper: White shredded paper **Only**.

Cardboard: Please flatten boxes, now accepting chipboard such as cereal and soda-pop boxes.

#1 PETE Clear Plastic: This includes #1 clear plastic bottles and containers as well as bottles with blue, green or brown tint (i.e. pop bottles).

#2 HDPE Colored Plastic: This bin is for solid colored #2 plastic such as laundry detergent bottles. Please rinse and remove lids. **NO** engine oil or antifreeze containers due to hazardous residue.

#2 HDPE Natural Plastic: This bin is for natural, frosted, or semi-opaque plastics such as milk jugs. Please rinse containers & remove lids.

Steel Cans: This bin is for soup, food and similar cans. Please rinse cans. Labels are acceptable. **NO** scrap metals.

Aluminum Cans: This bin is for aluminum beverage cans and cat food cans. **NO** aluminum foil sheets or baking pans.

Glass: We accept glass bottles and jars. Please remove **ALL** caps and lids. **NO** light bulbs of any kind.

Items that CANNOT be Recycled

Plastic Bags, #3-7 Plastics, Lumber, Aluminum Foil, Oil Containers, Phone Books, Trash, Window Panes, Light Bulbs, Styrofoam, Foil Baking Pans, Aerosol Cans, Antifreeze Containers, Tires, Pallets, Electronics, Paint Cans

*We can't accept these materials for many reasons, including lack of a consistent or regional market, employee and/or public safety, material handling difficulties, and/or additional State mandated permitting and administration for hazardous residues. Please help us maintain this free service by not contaminating your recycling stream.

Thank You for Recycling!
